Wyoming Republican Precinct Committee members:

GRASSROOTS IN ACTION

As precinct committee people of Natrona County Republican Party, you are the foot soldiers - the eyes and ears of the party. You are the lifeblood of our political organization. If each of you as Republican Committeemen and Committeewomen carry our message to residents in your precinct on a person-to-person basis, the coming elections will be victorious for us. Committee people who work their districts and are accessible to their constituents are the Party's most valuable assets. There is absolutely no substitute for committee people knocking on doors, visiting neighbors at the mailbox, or whenever you see them. Asking for voters' support of our Republican candidates is the first job of a Precinct Committee person.

We hope this handbook will help you in working your precinct in the most effective way possible. We have included a general overview of the party organization. Each county in the state varies and precincts within counties vary from each other. Therefore, some techniques may not work in your precinct. That is why it is important for each Precinct Committeeman and Committeewoman to work together to formulate a plan for reaching voters in your precinct.

Thank you for volunteering and for your commitment.

Natrona County Republican Party Executive Committee

II. EXPLANATION OF PRECINCT CAUCUS AND ROLE OF A PRECINCT COMMITTEE PERSON AT A PRECINCT CAUCUS

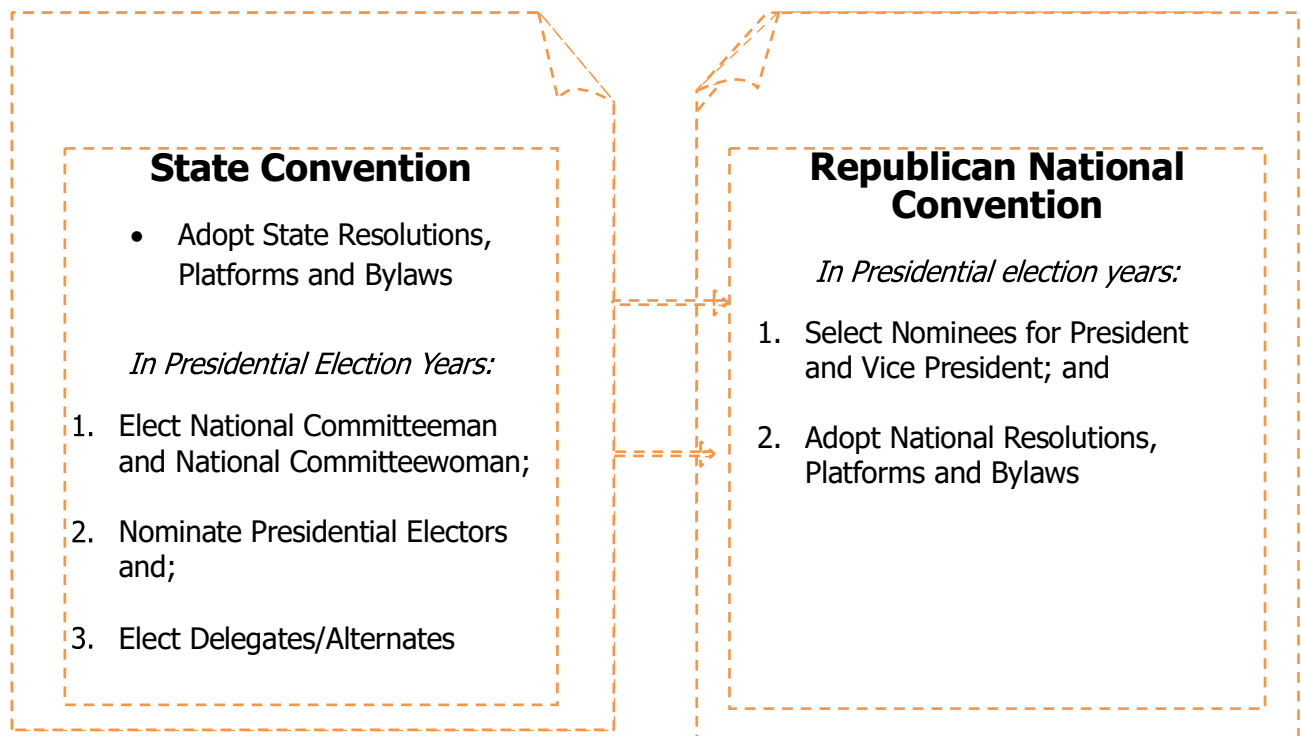

WHAT IS A PRECINCT CAUCUS?

"Caucus" is a fancy word for a political meeting of a group of like-minded people. Every two years, Republican Precinct Committee Men and Women host meetings for voters living in their respective voting precinct or neighborhood. At the caucus, they put into words issues and concerns they have for our county, state and nation. Statements addressing national issues are **RESOLUTIONS**. **PLATFORMS** are meant to stand the test of time and not be directly related to a current topic.

All Republican voters in Natrona County registered as of the caucus are eligible to attend, participate, and vote. Participants should be prepared to show photo ID and proof of residency in their precinct. The meeting is open to the public. It is a duty of Precinct Committee Men and Women, if possible, to attend and for one of them to chair their respective precinct caucus. Instructions for conducting the caucus will be available at the meeting, or in advance from the Chairman or the Secretary. The business of each precinct will be to entertain proposals for any changes to the County Party Bylaws, the State Party Platform Planks, and the National Party Resolutions, and to elect delegates and alternates to the County Convention. The Bylaws, Platforms & Resolutions are available for viewing on our website: <http://www.natronagop.com>.

You cannot have been adjudicated mentally incompetent.

How do I register to vote?

There are three ways to register to vote in Wyoming:

1. Register in person - Voters may register to vote in the office of the county clerk or town clerk within their county of residence. Voters may also print out a form online by going to the Wyoming Secretary of State's web page at this address:

<http://soswy.state.wy.us/Forms/Elections/General>

Fill out the form and hand deliver it to the County clerk in your county or residence. The form must be signed in front of the county clerk.

2. Register by mail:

Voters who are not currently in Wyoming or who cannot go to the county clerk's office may register to vote by mail. Copy and print the voter form found at:

<http://soswy.state.wy.us/Forms/Elections/General>

Preferred option is a Wyoming Driver License.

Second option is one form of the following:

* Different state's driver license.

* ID card issued by a local, state or federal agency, U.S. passport, School ID, or military ID.

Third option is two of the following in any combination:

- Certification of U.S. Citizenship; Certificate of Naturalization; Draft Record; Voter registration card from another state or county; Original or certified copy of a birth certificate bearing an official seal; Certification of birth abroad issued by the Department of State; or any other form of identification issued by an official agency.

Sign the voter registration oath. Have the notary or registered agent sign the form. Provide copies of the ID provided to the notary. Send the voter registration form and copies of the ID to the county clerk.

3. Register at the polls on Election Day.

Wyoming allows qualified voters to register at the polls on Election Day. Bring an acceptable form of ID to the polls (for example: driver license, passport).

****NOTE** Wyoming is exempt from the federal "Motor Voter" law and DOES NOT offer voter registration at the Driver License Division.

Do I need to re-register to vote every election?

You do not need to re-register to vote in an election if you voted in the previous General Election, unless you moved from another precinct or changed your name.

You need to re-register if:

You moved to a different county.

You did not vote in the previous General Election.

If you moved within the county to another precinct or changed your name, you must notify the county clerk.

IV. ABSENTEE VOTING

In Wyoming, any qualified elector may vote by absentee ballot, subject to compliance with State statutes. A qualified elector may apply to the Natrona County Clerk for an absentee ballot at anytime during the calendar year in which the election is held, but not on the day of the election. If the applicant is determined by the Natrona County Clerk to be not properly qualified to vote and the application is rejected, the applicant is to be immediately notified in writing of the reason for rejection.

Application to vote by absentee ballot may be made in person at the Natrona County Clerk's Office at 200 N. Center Street 82601, or by U.S. Mail by requesting an absentee ballot be mailed to you.
