

Natrona County Republican Party

Resolutions

A. Jobs and Economy

The Natrona County Republican Party...

1. Supports a free market and job creation through natural resource development.
2. Supports Congressional recognition that multiple use and access to Federal land is critical to the western economy, to wit:
 - a. Economic prosperity and environmental protections shall advance together.
 - b. Environmental regulators shall be held accountable for objective and timely analysis of proposed Federal policies.
 - c. Regulated snow machines, snow planes, and other motorized recreational vehicles shall be permitted access in support of all small businesses.
3. Opposes Federal policies that unreasonably inhibit the development of Wyoming's jobs and economy.
4. Supports an employee's right to work.
5. Opposes Federal employment quotas.
6. Supports a free and competitive marketplace.
7. Recognizes the importance of the economic health of small businesses and opposes over regulation of small businesses.
8. Supports the Congressional Delegation working with all pertinent Governmental bodies and the private sector to expand markets for Wyoming's natural resources.
9. Supports a royalty-in-kind program for Federal oil and gas royalties and renewable wind power royalties which will provide an opportunity for enhanced royalty revenues to Wyoming and the Federal Government.

B. Crime and Law

The Natrona County Republican Party...

1. Supports the laws of the United States are sufficient to punish criminal behavior and that no so-called "hate crime" or "bias crime" legislation should be imposed upon us by Federal or State Government.
2. Supports a prohibition of lawsuits brought by any local, county, state or Federal Government or agency against any firearms manufacturer as a result of their product being misused in any criminal activity.
3. Supports penal policies which can reduce prison populations without endangering Society; such as, minimum security and monitored work release programs for all non-violent offenders with an emphasis on treatment and rehabilitation of drug and alcohol offenders, except for large scale drug distributors and manufacturers.
4. Believes that foreign law should not be used to determine cases within the United States.
5. Opposes adoption of sharia law by local governments or in court decisions.
6. Supports a change in burden of proof for civil forfeiture to be beyond a reasonable doubt.

Natrona County Republican Party

7. Opposes the recognition of same sex marriage.
8. Believes that any rule or regulation proposed by a state agency, which includes a civil or criminal penalty, should be passed by a direct vote of the legislature.
9. Legislature should not legislatively interfere with elected officials who have not been convicted of wrong doing.
10. Resolved transgendered person should use the restrooms that designate his/her biological gender at birth.
11. Whereas, religious institutions and individuals should not be forced to accept doing things that are against their religious teachings or face being fined for not complying; be resolved that each person has the right to choose why they feel it is in accord to their religious teachings and beliefs.
12. Supports local school boards to have either paid or volunteer armed guards in schools, consisting of retired police or armed forces.
13. Supports legislation for local law enforcement agencies providing training to employee volunteers for concealed carry in schools as a first line of defense.

C. Land and Agriculture, and Environment

The Natrona County Republican Party...

1. Supports private property rights as guaranteed in the United States Constitution.
2. Asserts that the purpose of the United States Forest Service (USFS) and Bureau of Land Management (BLM) is to serve and facilitate responsible stewardship while guaranteeing access to split estate lands so as to sustain and enhance the multiple use of those lands, including forestry, livestock, grazing, oil and gas, mining, recreation, tourism, hunting, and other uses provided for under the law while respecting private property rights. The Party further supports the right to collect, gems, rocks, and other minerals for the purpose of display, refining, sales as a finished product, and for hobby collecting.
3. Supports legislation that would move our nation toward restricting ownership of land by the Federal Government, except as specifically provided for in the Constitution of the United States of America.
4. Supports all actions necessary to sustain States' primacy over their water, air, land, wildlife, minerals, and natural resources. Further supports the distribution of accidentally killed wildlife for consumption.
5. Supports Federal funding for state programs to eradicate brucellosis in wildlife to achieve brucellosis-free status across the nation.
6. Opposes the Conservation and Reinvestment Act (CARA), which provides for Government acquisition of private property.
7. Urges the Federal Government to adopt a wetlands policy stating that water use practices on private property should not be considered in regulator proceedings and the concept of voluntary wetlands banking should be used as a means of mitigating water development impacts on natural wetlands.
8. Supports the country of origin labeling legislation on meats and other food products.
9. Urges the Justice Department/USDA to enforce the literal interpretation of the Packer's and Stockyards Act and Anti-Trust laws. The merging of mega corporations

Natrona County Republican Party

- in the total food chain, production through retail, is threatening the existence of small agriculture business in the United States.
10. Supports that all split estate lands use planning must include an independent, accurate analysis of the socio-economic impact on the local and state economies and mitigate any negative effect. Supports prosecution of Federal agencies and their employees who flagrantly and consistently use illegal means; such as, trespassing, on private lands, to further their programs.
 11. Strongly supports a moratorium on further listing of any species under the Endangered Species Act (ESA), and opposes Federal invasive species legislation.
 - a. Supports our Congressional Delegation's effort to introduce and pass legislation to revise ESA.
 - b. Supports the revision of the ESA, which includes the following:
 - (1) A move from penalty enforcement to incentive-based protection.
 - (2) Complete protection for private property.
 - (3) Conclusive factual science-based listing criteria.
 - (4) Use of biological definitions only for listing.
 - (5) Prioritization of species listings with a cap on cost allocation.
 - (6) A moratorium on further listings pending cost benefit analysis.
 - (7) Redefine "standing" for purpose of initiating listing and litigation.
 - (8) Listing must be accompanied by a recovery plan that includes a socio-economic analysis and specific de-listing criteria.
 - (9) Recognize the State's rights to manage individual species within their boundaries and the Federal Government's responsibility to fund its mandates.

Natrona County Republican Party Central Committee Pro Life Resolution

Presented by Ross Schriftman, Committee Man, Precinct 2-4

Whereas Wyoming is the Equality state,

And whereas the Wyoming Constitution states in Section 1 that "...all members of the human race are equal,"

And whereas unborn children are part of the human race,

And whereas all persons of the human race have value and deserve to live,

And whereas unborn children are the most vulnerable humans,

And whereas the Natrona County Republican Party platform states in Section F-Health and Society, paragraphs 7 and 8 the following:

"Believes the unborn child has a fundamental right to life that cannot be infringed.

a. Believes we should outlaw abortion unless life threatening.

b. Believes adoption is a preferred alternative to abortion and supports legislation that would encourage adoption and protecting adopting parents.

Believes we should support protections of the unalienable right to life from conception to natural death."

And whereas the Natrona County Republican party should celebrate life, honor motherhood and fatherhood and recognize the birth of children as a blessing to families and to our society,

Be it resolved, that the Central Committee of the Natrona County Republican party condemns the establishment and operation of an abortion business in Casper, Wyoming and

Be it resolved that the Central Committee and the Executive Committee of the Natrona County Republican Party will do all within its power to legally stop the killing of babies in our county and the physical and emotional harm being done to women who are victims of this abortion business and to encourage citizens of Natrona County to peacefully and prayerfully work to end abortion in our county.
